Dear Colleague:

You are invited to explore the Columbus Chapter of the Conference of Minority Transportation Officials (**COMTO Columbus**). The national organization (COMTO) was founded in 1971. There are currently 30+ chapters nationally promoting scholarships, internships, and contracting opportunities in transportation for minority individuals, veterans, people with disabilities and certified MWDBE businesses, through education, professional development, scholarship and internship funding, leadership training, political advocacy, partnership building and networking opportunities. **COMTO Columbus** supports and embraces this mission at the local level.

Corporate members are able to benefit from the programs and events sponsored by **COMTO Columbus**:

- **Quarterly Networking Breakfasts** enable companies to learn about contracting opportunities with local transportation agencies and corporations.
- **Annual COMTO Columbus Scholarship Awards Luncheon** brings together community leaders and prominent national and local speakers to celebrate the achievements of our future civic and business leaders.
- **Annual Company-Named Scholarships** provide financial support to deserving high school seniors & college students majoring in STEM (**S**cience, **T**echnology, **E**ngineering or **M**athematics) or transportation industry fields.
- **Annual Golf FORE Education Outing** is our #1 fundraiser to raise scholarship funds, bringing together local and national organizations and agencies.
- **COMTO Columbus Internship Partnerships** pairs students and businesses to help prepare students for future transportation sector careers.

When you become a corporate member, your company receives complimentary and/or reduced-cost access to programs and **COMTO Columbus** networking events with transportation agency partners. Being that **COMTO Columbus** is a 100 percent volunteer organization, all proceeds from **COMTO Columbus** partnership agreements are dedicated to (1) covering the costs of events, and (2) raising funds for college scholarships for local students, which over the past five years has exceeded \$75,000.

Additional information on the membership levels and benefits is included in this packet. Once you've had an opportunity to review the materials, I will kindly follow up to answer any questions you may have. It is my hope that you will find value in being a corporate member of the **COMTO Columbus** chapter. We look forward to seeing you at one of our popular networking events.

Sincerely,

Quincy J. Howard
President, COMTO Columbus
